The floor plan is divided into two main sections, "A" and "B", separated by a central vertical corridor. The plan is overlaid with a grid system (1-12, A-E). The "A" section is on the right, and the "B" section is on the left. The plan shows various rooms, corridors, and service areas. Cable routes are marked with blue and red lines, and specific cable types and quantities are labeled. A detailed inset shows a specific room layout with cable connections.

Key features include:
